Subject: RIN 1210-AB33 | Oppose Annuity of 401-k's and IRA's
Importance: High

Dear Sir or Madam:

I am writing in opposition to the proposal to annuitize 401-k's and IRA's. I strongly believe any such annuitization = confiscation given the increasing USG deficits and escalating money printing by the Department of Treasury and the Federal Reserve. To me such a proposal is just a slicker and more cynical version of Argentina's recent confiscation of private pension plans.

I will vote against any politician who supports such proposed annuitization and/or will contribute money to defeat them whether they be Republicans, Democrats or Independents.

Sincerely,

Craig McCarty
